

We are Mediplus

At Mediplus, our mission is simple: Through medical device innovation, we improve patient care. For four decades, we have collaborated with global healthcare professionals to develop patient-centric solutions that enhance clinical outcomes and streamline provider workflows.

As a proud UK-based manufacturer, we combine British engineering with a global reach, exporting to over 40 countries

Why Choose Mediplus?

Award-Winning Quality: Two-time winner of the Queen's Award for Enterprise (International Trade, 2013 & Innovation, 2017).

Clinical Gold Standards: Products such as the Mediplus TIVA sets and the Mediplus S-Cath™ System are recognised as industry benchmarks and featured in NICE guidelines.

Sustainability Minded: Committed to the NHS Net Zero initiative and ISO 14001 certified.

Clinician-Led Design: We don't just build devices; we solve real-world clinical challenges through research and collaboration.

Our Core Products

Urology & Urodynamics

Home of the award-winning S-Cath™ System, providing a safer, more controlled Seldinger technique for suprapubic catheterisation. We are also world leaders in colour-coded urodynamic catheters designed for patient comfort.

Anaesthesia

Pioneers in Total Intravenous Anaesthesia (TIVA). Our dedicated giving sets and the Capnomask™ are engineered to improve safety and reduce the risk of hypoxia.

Gynaecology & Urogynaecology

The UK's largest supplier of silicone pessaries, including Mediplus POPY™, the world's first all-silicone shelf pessary offering non-surgical solutions for prolapse and incontinence.

Operating Room

Providing high-precision vessel occlusion solutions.

Partnering for the Future

Whether you are a long-term partner or discovering us for the first time, our dedicated team is here to support you with high-performance products and exceptional service.

Join the millions of patients worldwide benefiting from Mediplus innovation.
